RE: Nancy Tower  
Vs. 2008-4285  
City of Sulphur

Dear David:

Enclosed is our firm check in the amount of \$500.00, per my letter to you of October 15, 2008, confirming our agreement to compromise Nancy Tower's claims set forth in her lawsuit against the City.

At your request I have contacted Skipper Drost, who has, in turn, contacted John Bruce, with respect to the question of whether there are any additional documents from Tim Jackson to the City of Sulphur on the Southgate issue. You will likely recall that my correspondence to you of December 2, 2008, confirmed that John Bruce had no additional documents beyond those which have already been produced. However, he will again check his files to see whether Jackson ever responded in writing on the Southgate issues we have discussed.

As soon as we receive a reply from John Bruce, I will be back in touch with you. At that point I believe we will have done all that we committed to do, and more, and then we can close our respective files.

Sincerely,

GREGORY W. BELFOUR
